My name is Mark (Marek), you may call me either. I have been teaching English in Europe for seven years now. I am originally from England and also lived in The United States for many years. I have traveled, lived and worked all over the world (The US, Asia, Middle East, and Europe).

Before teaching I worked in the **Military Logistics and Transportation** fields. I am an Armed Forces Veteran and have worked for large multi-state, national companies and for many smaller companies across the globe.

I am a Trained Qualified English Teacher (**TEFL**), with Training and Certifications for teaching, Very Young Learners (VYL)/Young Learners (YL), Business Professionals, and also for Online Teaching. I am also a Qualified Occupational/Organizational Health and Safety Trainer(OSHA).

During the school year, I work for a Slovak company, called TalkTalk.SK, delivering English Conversation Programs at Public and Private Schools in the Slovak and Czech Republics. My courses are fun, well-received and always followed by extremely positive reviews from both Students and school staff(s).
